Yippee! Haute Papier's Personalized Bookplates have arrived!!!

Haute Papier is very excited to be working with your store in selling Personalized Bookplates! Included in this shipment is our selling tool and some samples for your customer to touch and feel. We've also included the Personalized Bookplates Order Form, which should be filled out completely when faxing in an order. It's been designed to make the process as simple and comprehensive as possible to ensure each and every order is filled just right!

Haute Papier ships all orders UPS Ground unless otherwise indicated on the Order Form. The charge for this starts at $12. We do offer Drop Shipping for an additional $5 fee. If you're wondering when your order will ship, remember that all flat print orders ship within 5-7 business days.

We love custom art and can (99% of the time) print your client's artwork. We do need to see it before committing just to make sure it will work on our printers.

Haute Papier charges $7.50 wholesale for changes to proofs. All displays show $15 retail for changes to proofs.

If you've ordered additional albums from Haute Papier, they'll be coming soon. We're working as quickly as possible to get these into your store.

Haute Papier is dedicated to its vendors. Our goal is to make the ordering, receiving and payment process as quick and easy for you as possible. We hope your client base loves our product. If we can be of any assistance in the sales process, please do not hesitate to contact us at any time. We're here to help!

We look forward to working with you!
